

## ***Language tablet, 2018***

---

*The government is Obligated to provide **All** official documents in both English And Sunrish. In doing this, the government makes Sunrish an official language alongside English.*

*Sunrish is to be counted as an "language of special status", and will be taught as an optional program in all learning sites.*

*The government must also provide data in any language requested, but is not mandated to if the language proves untranslatable, or has been blocked from translation by the Administration.*

*All non-edict tablets must be translated into Sunrish (including this one) and special services must be provided for those who speak Sunrish.*

*Although the criminal code may not be translated into Sunrish, There must be guaranteed legal counseling in Sunrish.*
